Medicare Premiums costing you too much?

Assistance with your Medicare Part B premium costs is available if you have limited income and resources.

We can help.

You may qualify for **the Medicare Savings Programs*** that will **save you money** with Medicare Part B premiums and **lower your insurance deductibles and co-pays.**

The 2011 income and savings limits are as follows:

Applicant(s)	Monthly Income Limit	Savings Limit
Single	\$1,225	\$6,880
Married Couples	\$1,655	\$10,020

*Note: Individuals with full Medi-Cal benefits already have Medicare Saving Programs and do not need to apply. Individuals who have Medi-Cal with a Share-of-Cost may qualify for Medicare Savings program.

Call us.

For more information contact:
